

NOTEBOOK POWER ADAPTER

Notebook Accessories

No more carrying extra weight!

The NP-100 is a versatile notebook power adapter that works with virtually any notebook on the market. Keep one at the office, and one at home to lighten your everyday commuting load. Includes seven detachable connectors for compatibility with a wide variety of notebooks.

More available power reduces switching to battery mode, increasing stability and improving battery and notebook lifespan. Works with leading notebook brands including Compaq, Dell, HP, IBM, Sony and Toshiba. For an updated list of models supported please go to www.antec.com/np100.
